

**We declare, that in the sense of the above regulation**

- We will inform our customers with the order confirmation if substances of very high concern (SVHC = Substances of the REACH candidate list) are present > 0.1% weight by weight in the products distributed by us.
- We declare products containing a substance of very high concern > 0.1% weight by weight in the ECHA SCIP database.
- We comply with the requirements of the European Court of Justice ruling of 10<sup>th</sup> September 2015 on case C-106/14 when fulfilling the information obligation of REACH Art. 33.

**Additional notes**

1. We continuously monitor our products for substances of very high concern (SVHC).
2. Under normal and reasonably foreseeable conditions of use, our products do not intentionally release substances or mixtures. Possible specific end-of-life recommendations can be found in the product documentation.
3. To the best of our knowledge and according to the information provided by our suppliers, our products comply with the provisions of Regulation (EC) No. 1907/2006.
